

Guide to submit an abstract to JANO'14

1- Create an account:

- If you do not have a Sciencesconf account, you must create one by clicking on the following link: <https://www.sciencesconf.org/user/createaccount>
- Fill the form and validate.

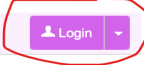

The screenshot shows the 'Create your account' page on the Sciencesconf.org website. On the left is a 'Main menu' with links: Home, Presentation, Create a new conference, Documentation, and Browse. The main content area is titled 'Create your account' and contains the following fields:

- Email address ***: A text input field with a note: 'All messages (inscription, submission, required modification,...) will be sent at this email'.
- Login ***: A text input field with a note: 'Identifier of connection on the Sciencesconf.org platform'.
- Password ***: A text input field with a note: 'Type a valid password (alpha numeric from 7 to 20 characters)'.
- Re-type your password ***: A text input field with a note: 'The double data entry of your password makes it possible to avoid the typing errors'.
- Lastname ***: A text input field with a note: 'lastname_description'.
- Firstname ***: A text input field with a note: 'firstname_description'.
- Language of the platform**: A dropdown menu with a note: 'All the texts of the interface (home, menu, content) will be posted in the selected language'. The selected option is 'French'.

- You will receive an email with a link allowing you to validate the creation of your account.

2- Identification on JANO'14 website

- Go to the conference website: [International Conference on Numerical Analysis and Optimization Days - Sciencesconf.org](https://www.sciencesconf.org)
- You need to Log in with the account created earlier.
